

Mid Year Conference is one of the highlights of the year for ES (Evangelical Students). The ES groups from Flinders University and UniSA (Magill and Mawson Lakes) combine to have a yearly conference at Ankara Youth Camp - Walker Flat, right on the bank of the Murray River.

At MYC this year we are looking at:

The Church – something we do, something we attend, or something we are?

Charles Spurgeon called the Church 'The dearest place on earth'. The New Testament made it clear that it is at the centre of what the Father is on about in this world: 'But you are a chosen people, a royal priesthood, a holy nation, a people belonging to God, that you may declare the praises of him who called you out of darkness into his wonderful light.' (1 Peter 2:9, NIV)

We will spend the week exploring what this means about who we are and how we are to live as the Church. MYC is a great time of fellowship and learning from God's Word.

There's also plenty of time to just relax, go for a canoe ride on the river, and enjoy one another's company. A theme night of fun and games provides plenty of memorable moments.
